

Instructor: Professor F. L. H. Wolfs
Department of Physics and Astronomy, B&L 203A
Telephone: (716) 275 – 4937
Email: wolfs@pas.rochester.edu
URL: <http://teacher.pas.rochester.edu/>

Teaching Assistant: Brijesh Prithviraj
Department of Physics and Astronomy, B&L 208B
Email: brijp@pas.rochester.edu

Text: *Introduction to Electrodynamics*, Third Edition, David J. Griffiths.
See reading list for other text books which are useful references.

Lectures: Mondays and Wednesdays: 8.30 am - 9.50 am, B&L 407.

Recitation: Thursdays: 4.50 pm – 6.05 pm (B&L 270), starting September 13.

Office Hours: Wolfs: Mondays, 10.00 am – 11.00 am, and Tuesdays, 10.30 am – 11.30 am (B&L 203A), and by appointment.
Prithviraj: Mondays and Tuesday, 2.15 pm – 3.15 pm (B&L 208B).

Homework: Homework will be assigned each Wednesday. The homework is due the following Wednesday at 8.30 am (to be dropped of in the PHYSICS 217 mailbox).

Final Grade: The final grade will be the weighted average of:
1. Final exam (35 %)
2. Midterm Exams (20 % each, 40 % total)
3. Homework (25 %)
Note: Grades will not be curved.

Midterm exams: Wednesday, October 17, 8.30 am – 9.50 am, B&L 405
Wednesday, November 28, 8.30 am – 9.50 am, B&L 405

Final exam: Thursday, December 20, 12.30 pm – 3.30 pm

Note: You can bring **one** cheat sheet to the midterm exams and the final exam. This sheet can not be larger than letter size and both sides can be used. Using more than one sheet and/or using a larger size paper will be regarded as an act of academic dishonesty and will be reported to the Dean's office.
